

First Impressions: EDUCATION
School District Interest Form

School District: _____ Date: _____

Superintendent: _____ E-mail: _____

Address: _____

Phone: _____ Fax: _____

Board President: _____ E-mail: _____

Phone: _____

We understand this program is currently a pilot project in partnership with the Mississippi Center for Education Innovation in targeted communities in the Mississippi Delta.

If this pilot project is expanded beyond the current piloted school districts in the future, we are interested in the Mississippi State Community Action Team (MSCAT) organizing and leading a First Impressions visit for our school district. Please contact us to further discuss this potential opportunity.

Superintendent's Signature

School Board President's Signature
